

## HELINOX TABLE ONE HARD TOP

### Convenience is a foldable table

**Stable, easy to build and transport: the Helinox TABLE ONE HARD TOP is the comfortable way to wine and dine outdoors. Weighing in roughly 1 kg and packing down to a mere 41 x 12 x 11 cm, this little buddy is compact and lightweight. Enjoying an after-play-drink or arranging a classy dinner outdoors has never been this easy!**

Combining effortless build-up and solid design, the specialist for high quality outdoor furniture takes camping life a step further. The **Table One Hard Top's** poles are made of DAC aluminum anodised in an environmentally friendly "Green Anodizing" process. A technology that saves significant amounts of water, chemicals and energy compared to standard anodizing.

At only 960 grams, the small Helinox table is a real lightweight, even though it offers a load capacity of up to 50 kg. It can be assembled and disassembled in the blink of an eye thanks to the elasticated joints and the stable, foldable tabletop is easy to clean. Non-slip rubber feet and the well thought-out construction guarantee a secure stand for the Table One Hard Top.

Whether on a bike trip, hiking holiday or by the sea, the Helinox Table One Hard Top ensures relaxed meals after exciting outdoor adventures. Robust handles on both sides of the stuff sack make transport easy.
